Did you know that...

- Did you know that... 
- Our lifts can transport some 94,071 people per hour and 1.5 million people per season?
- Our investments directly contribute to permanent employment for roughly 250 additional persons in other industries?
- During the winter season approximately 700,000 people visit the ski resort?
- Most of the pistes in the ski resort are used as pastureland?
- Lots of piste areas in the ski resort are mown and mulched, some as often as four times?
- The second route section proceeds beneath the ‘Kitzloch’ circular Kitzlochklamm. Adrenaline and adventure are guaranteed?
- Our ski areas are the home of the world renowned Saas Fee ski resort?
- Our lifts are unique. As the world’s largest and most advanced chair lifts in the winter season?
- And we are not just famous for our lifts?
- We are also known for our investments - after opening the ski resort, the livestock was able to return to the area?
